### Growing and Maintaining Our Community Built Park

Penny Park's Music in the Park series will run from early June through the first week in September. We're currently scheduling Saturday events to run from about 7-9:30 p.m. We have room for musicians of all ages, music styles, and abilities. We have enjoyed support from The Wellness Coalition and Drug Free Communities for this program.

We are making a schedule for the summer that will be on a poster around town and run in the Desert Exposure. Please contact us soon so that you are included in that schedule!

If you're interested in playing, please fill out this short registration form so that we can audition and schedule you.
